

## Resident Talent Fair

In October we held the first ever Resident Talent Fair. The idea came from one of our current residents and what fun it turned out to be! I think I can speak for all of us in being amazed at the talents and skills of those who live here at Valley VNA. What are hobbies to some, are works of art and wonder to those of us less talented. Presenters at our first event were:

Jean - Beautiful handmade baby quilts and original note cards; Shirley - Beautiful paintings and handmade baby clothes; Donna - Wonderful cross stitch and original handmade ornaments; Sylvia - Lovely handmade note cards; Bill – Fascinating display of his record catch - a 106 lb. Sturgeon (well, not all of it); Dora - Delightful cross-stitch pictures; Erma - Charming handmade stuffed animals fashioned out of fur scraps; Martha - Wonderful original stories and creative writing pieces; Pat - Lovely paintings; Eileen - Intricate crochet work; John - Exquisite weaving; Arlene - lovely piano playing; and, many thanks to Elaine for the treats!

We are looking for ways to display some of this talent so that many more people can enjoy, so stay tuned. I am confident that we will have an opportunity to repeat this event in the future.

Many thanks to  
all who  
participated!
