

Floorplans & Amenities

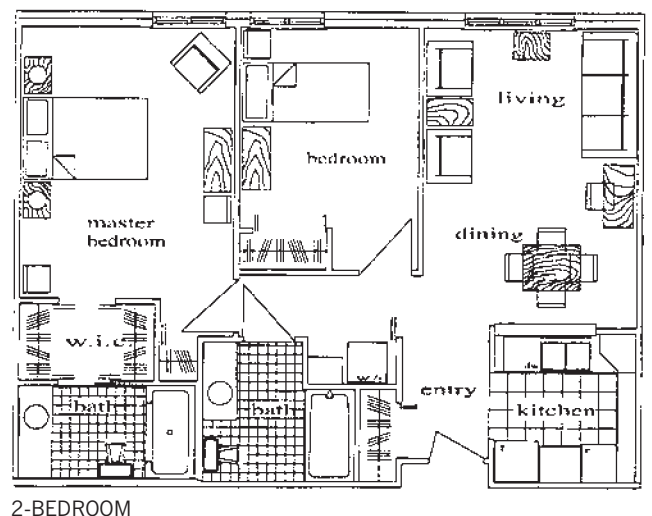

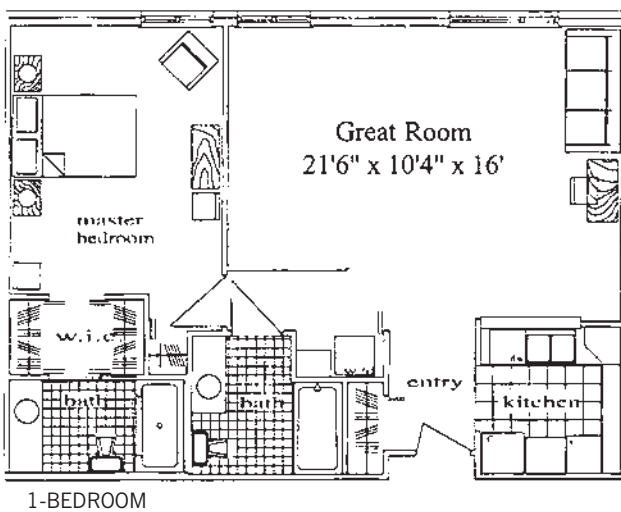

The apartments, studios and suites at Valley VNA Senior Services are designed to give you a comfortable, convenient home. We offer a variety of floorplans to meet your individual needs.

APARTMENTS

These apartments give you all the conveniences—but none of the hassles—of owning a house. Your one or two bedroom apartment will come with plenty of living space, plus kitchen appliances—refrigerator, dishwasher, electric stove and garbage disposal—as well as cable television and hook-ups for a stackable washer and dryer. You'll have fewer monthly bills to worry about, because all utilities except for telephone, are included.

PLUS, ENJOY THESE BUILDING AMENITIES:

- A controlled entrance is provided, through a main entrance
- Laundry rooms on each floor—no worrying about getting to a laundromat or navigating basement stairs
- Indoor mailboxes and mail drop box, so inclement weather won't prevent you from getting your mail
- Indoor refuse and recycling, for your convenience
- Elevator for easy access
- Large 4' by 6' storage unit for each apartment
- Single car garages available for an additional fee
- Gardening opportunities available for those with a green thumb
