

## **Pat Hoogervorst, RN Clinical Services Director Assisted Living Team**

Pat began her career with Valley VNA in 1994, first with In-Home Care then moving to our Assisted Living. She has been Clinical Services Director since 2002.

Pat is responsible for welcoming in new residents. She will be a primary resource available for tours, information seeking and responsible for the initial move-in paperwork. Pat will work with the resident and families to make the move-in process go as smoothly as possible. Pat also oversees the clinical quality and operations of the Assisted Living. Her history with Valley VNA, along with her clinical expertise, is a wonderful resource for both current and new residents and families.
